Picturephone® Meeting Service

It's Easy on You

We know there are times when the demands of today's business manager simply outrun the clock . . . when it seems impossible to get everything done. Sometimes you just *have* to be in two places at one time . . . and PICTUREPHONE® Meeting Service* can get you there conveniently and economically while keeping you on schedule.

Picturephone Meeting Service is a new, face-to-face, interactive, visual way for you to meet with people in New York City, Washington, D.C., Chicago, San Francisco, Los Angeles, Sacramento, Dallas, Atlanta, Boston, Detroit, Philadelphia or Pittsburgh. You can do, say, see or show anything during a visual meeting that you can during an in-person one.

Whatever your purpose, Picturephone Meeting Service can help you accomplish it. There are as many ways to use our Meeting Service as there are reasons for holding out-of-town meetings. You can:

- conduct monthly/quarterly administrative reviews,
- introduce new products to your sales force,
- screen applicants for employment,
- resolve production/distribution conflicts,
- handle emergencies, or
- any one of another thousand reasons for meeting with people.

You can use whatever visual aids you need . . . slides, charts, artwork, video tape, pieces of paper . . . or just yourself.

Picturephone Meeting Service is a total, effective business communications vehicle. You won't miss a thing . . . except the hassle of getting there!

It's Easy on Your Company

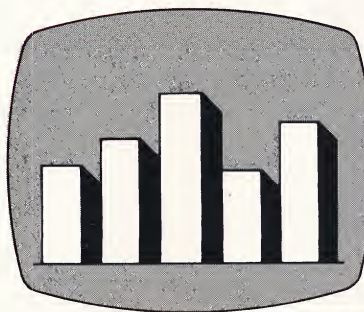

In addition to the obvious advantages of saving the time and money associated with travel, Picturephone Meeting Service actually enhances business communications.

You'll be able to bring together *all* the people you really *need* for your important meeting when you need them . . . and, at no extra charge! No one has to wait to get the word. Everybody participates.

You'll find yourself free to:

- handle those urgent problems that seem to crop up whenever you're out of town,
- hold that meeting you need with your boss, or,
- simply, stay on top of things at the office.

Picturephone Meeting Service allows you to spend your time sorting out business problems . . . not travel schedules.
